the owner of fourteen joy-speeding cars.

And more significant still, it is said ubon reliable authority that Mayo's own private physician personally attended Lillian about two months before her tracts to faille a railway bridge across tracts of entering upon an unmarried mother hood.

\*\*Often Talked of Snielde.\*\*

\*\*Often Talked of Snielde.\*\*

\*\*Inhappy with Prosperity.

Three children were born of their part in our unhappiness. I never knew for more time to family had financial difficulties. Then Mayo got contracts to faille a railway bridge across the Ohio from Wheeling, W. Va., to Bridgeport. Ohio.

\*\*The family moved to Wheeling, but with prosperity came unhappiness. Mrs. Mayo is a comely woman about 42 years old. Her most attractive feature is her eyes. They are dark blue and year expressive. Her brown hair, sold out his interests, though he was in streaked with gray, is parted in the middle, falls in soft waves about her face and is caught in a loose knot at the nape of her neck. Yesterday she had on a simple house gown of white linen. She was very pale and wornlooking and showed plainly the strain under which she has been laboring for years.

Prederick E Scott, her attorney, says he has not taken any definite steps against Mayo because of Mrs. Mayo's condition. He says he considered it advisable to wait for a day or It is thought, however, that she will sue for divorce and alimony.

The fifth woman in the case, for Lillian

Cook may be regarded as the fourth, is Suste M. Wahlers, of New Haven, a former employe in the Mayo Radiator Company, who declared that her 2-yearold daughter Hazel is the child of Mayo. The story of Miss Wahlers is somewhat akin to that of Mrs. Dudley. Miss Wahlers remained in the employ of the firm intil shortly before she was to Mayo then provided for her and her little one.

"My afther and mother and I are going my artner and mother and I are going to talk over the matter of a suit," said Miss Wahlers last night. "I met them this afternoon, and we decided that something must be done. It is only jus-tice to me and to Hazel.

"It is untrue that Mayo have me more than \$100," continued the young woman, who is about 25 years old. She is rather who is about 25 years old. She is rather tall, with plenty of colorless hair, pale blue eyes, a small mouth and none too strong chin. "He promised me 11s a week if I would go to live in a cottage of my own, as Lois Waterbury did, but I wouldn't do it. I don't believe the rumors that he gave my father between the rumors that he gave my father between the color of the village, who was standing up, holding on to its wicker carriage and shaking it in glee. "She's in a good humor, now. When the stars she wrote with her finger a she gets mad the blood flows to her face. Just like her father. ### By LA RACONTEUSE.

Special Cable to The Washington Berald, Paris. March 13.-This war is of course a great calamity to the French people, who had really given up all thoughts of a war revenge against the nation that in 1871 robbed us of two of our fairest provinces, but, as events are daily proving, spiritually it has been a blessing to the French nation. for it has brought about renaissance and given us back the purest and best qualities of our national soul.

I can see my American readers mile when I say that at the bottom of our hearts we are a religious peo ple. The soul of this nation has al been inseparable from the cult of the Holy Virgin, "Notre Dame." As far as we look back through the his-tory of the church we have honored the Virgin and invoked her prayers.

Throughout centuries the French people have with special predilection turned toward the Virgin to whon Louis XIII dedicated France, and in whom we have always trusted, confi-
